4/6/07 SENATOR JOHN E. SUNUNU TOURS DIRECT CAPITAL CORPORATION'S HEADQUARTERS

PORTSMOUTH, N.H. - Direct Capital, a leading small ticket equipment leasing company, which provides financing for business-essential equipment, welcomed U.S. Senator John Sununu to its headquarter location on Thursday, April 5th. Senator Sununu toured the facility and sat down with Direct Capital Executives to discuss small business growth, the direction of the economy and Direct Capital's role in the economy.

During his address to Direct Capital employees, Senator Sununu commended Direct Capital for their part in helping the growth of businesses nationwide. The Senator noted, "Small businesses drive our economy and they wouldn't be as successful if it were for the services that Direct Capital provides."

The Senator also acknowledged Direct Capital as a leading Seacoast employer. The Senator further stated, "Innovation is an important part of making more things available to more people and Direct Capital is clearly an innovator."

About Direct Capital

Founded in 1993, Direct Capital is a leading provider of small ticket equipment financing to businesses nationwide. The company's direct origination platform represents a "best in class" marketing and sales capability that is nearly unique in the industry. The company markets its services through direct relationships with equipment purchasers and through partnerships with vendors, dealers, and manufacturers of capital equipment. Direct Capital is also the official provider of equipment financing for eBay's Business and Industrial website. The company has over 200 employees and is based in Portsmouth, NH.
